Welcome to August!

We're here with the latest features, updates, and inspiration to help you make the most of your programs. This issue includes:

⏳ **Upcoming Features**

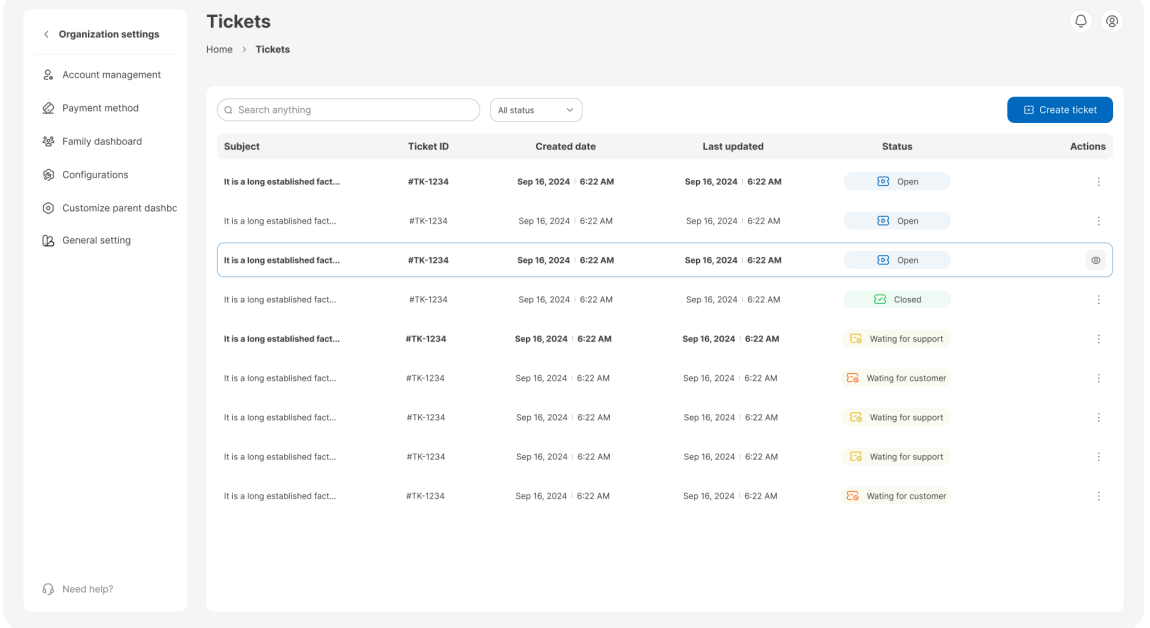
💻 **Jumbula Webinar Announcement**

💰 **Refer and Earn with Us**

📚 **Jumbula Blog Articles**

⏳ Upcoming Features

🛠️ New Support Ticketing System



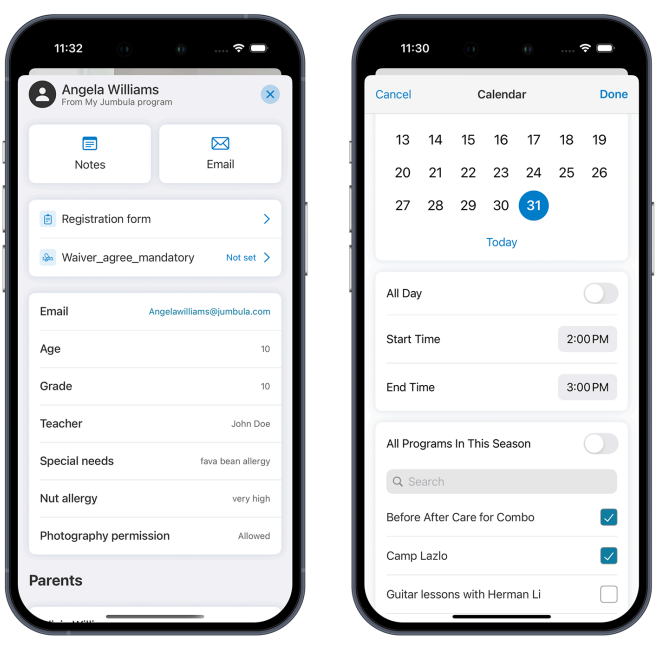
We're getting ready to launch a new ticketing system on the **NG Admin Dashboard** to improve communication with the Jumbula support team. The new system will let you submit, track, and manage your support requests more easily, all from one central place.

📅 **Expected release date:** August 2025

Our other upcoming features include:

👩‍💻 Improved participant information for the Jumbula business app

🗓️ More filters for OSC date selection



📅 **Expected release date:** August 2025

💻 Jumbula Webinar Announcement

App Training: My Jumbula App

🗓️ **Friday, Aug 08, 2025, 1:00 PM EST**

Join us to learn how the **My Jumbula App** supports communication between families and staff. The session will cover features including schedules, payment tracking, attendance, profile management, messaging, and safety options.
